PROFILE

I've built and managed Web3 communities with over **500K+** users, driving engagement rates above **10%** and leading campaigns that directly increased retention and revenue.

My focus is on simplifying communication, creating content that performs, and turning users into active contributors.

WORK EXPERIENCE

3Commas.io

Head of Community / Community Manager

July 2024 - Present

- Built the 3Commas Community Space in Notion to streamline moderation, team communication, and Tone of Voice documentation.
- Managed a team of **4 moderators**, hosted weekly syncs, and coordinated communication strategies.
- Increased community size from **109K to 135K** and improved engagement rate from **2%** to **3.9%**.

Supertrade

SMM Manager

May 2025 - Oct 2025

- Built the Supertrade community from zero to **150K** members with a **7%** engagement rate.
- Launched and moderated **10+** webinars and panel discussions.

AddUp

SMM Manager

Sep 2024 - May 2025

- Grew the Telegram bot audience from 0 to **1,448,212 users**, achieving around **20%** retention.
- Scaled to **300K members**, reaching a **10%** engagement rate and **500K** monthly reach.
- Partnered with other Web3 projects to drive **45K+** new users through cross-promotions with minimal budget
