PROFILE

I've built and managed Web3 communities with over 500K+ users, driving engagement rates above 10% and leading campaigns that directly increased retention and revenue.

My focus is on simplifying communication, creating content that performs, and turning users into active contributors.

WORK EXPERIENCE

3COMMAS.IO

Head of Community / CM — Jul 2024 - Present

> Built the 3Commas Community Space in Notion to streamline moderation, team communication, and ToV documentation.
> Managed a team of 4 moderators, hosted weekly syncs, and coordinated communication strategies.
> Increased community size from 109K to 135K and improved engagement rate from 2% to 3.9%.
